Dear Sirs,

Film : "Deep in the Sea"
FOR THE ATTENTION OF MR. ALAN PRIDE

Referring to Mr. Frangenheim's letter no. 499 of July 5 to Mr. E.G. van Bloeme, we should be much obliged if you would kindly discuss with the bearer, Mr. J. Ernesto de Sousa, some points concerning the above film of which he is now in charge.

In case it is agreed that he should take the opportunity to edit the flashed print of the four reels referred to in Mr. Frangenheim's above letter, we would ask you kindly to make all the necessary facilities available to him .

Please note that, when this letter reaches you, Mr. J. Ernesto de Sousa will have already met Dr. Cerqueira in Paris and received from him instructions on the subject and of which we are not cognisant.

Yours faithfully
SHELL PORTUGUESA, S.A.R.L.
